Confidentiality: I will not release any information to anyone without a written authorization from you, except as provided for by law. You have a right to be allowed access to my written record about you.

My Approach: I approach issues with the fundamental concept that you, the client, are **not broken** and have **all the resources within** you to **resolve your issues yourself**. I view my position in our relationship as an **educator** and **process facilitator** to assist you in **connecting** with your **own internal** resources to resolve your challenges.

As the **process facilitator** I will determine which processes or educational assets to use and when to apply such processes or education as I deem appropriate. As the client, it is your responsibility to cooperate with such processes and, to the best of your ability, follow through with subsequent assignments.

Client Acceptance

Outcomes: No guarantee can, or will be given as to the outcome of your coaching. You are entitled to bring a colleague to coaching sessions for support should you wish .

By my signature below, I, as the client, am signifying that I am willing to accept the coaching, techniques, and processes offered me for the purpose of vocational, avocational and/or self-improvement.

I understand that the services I receive are not a substitute for normal medical care and are hereby advised to discuss medical services with my physician.
